Re: United States v. Juan Ángel Napout (1:15-cr-00252)

Dear Judge Chen:

Pursuant to the Court's August 17, 2020 Order, we submit this letter on behalf of Juan Angel Napout. We do not object to the Court unsealing the submission docketed at 1420. With respect to the submission docketed at 1418, we do not object to the Court unsealing the submission subject to redaction of specific references to Mr. Napout's medical condition on page 2 of the submission. We have conferred with the Government regarding our position, and the Government has no objection to such redaction. We will provide the Government with a proposed redacted copy for submission to the Court, and upon agreement will submit the proposed redacted copy for the Court's consideration.

Respectfully submitted,

/s/ Marc A. Weinstein
